1st CALL FOR STSM FOR THE BEACON COST ACTION

Introduction

Short Term Scientific Mission (STSM) is a grant that allows Researchers or Innovators to visit a host organization located in a different country than the country of their affiliation, for the specific work to be carried out and for a determined period. We have an Open Call for STSM Grants using a rolling system for the deadlines for STSM Grant Applications, which for this grant period are as follows:

Cut-off Dates and Budget

- 30th April 2026
- 1st September 2026

After the 15st of September 2026, if there is a budget available, the applications will be processed as they are received. In the same way, if the budget runs out of any of the previous cut-offs, participants will be informed, and the following calls will not be carried out.

All the applications that have been sent by the cut-off date will be evaluated within 15 days and the applicants will be informed about the decision. Up to 4000 EUR can be awarded for a STSM.

Only applications for future missions will be approved. Grants cannot be rewarded retroactively for scientific missions that have already taken place at the time of the cut-off date.

All STSMs need to be finished, and its report submitted maximum on the last day of the grant period (30/09/2026).

Eligibility criteria

Researchers and Innovators with appropriate affiliation as described in the **Annotated Rules section 4.1.1.1.1. AFFILIATION.**

Additionally, priority will be given to active Working Group members whose application is endorsed by the Working Group and whose STSM output is closely related to the goals and deliverables of the Action. For more information, please see the Memorandum of understanding.

Participation of Young Researchers/ Innovators (<40-year-old) in STSM is encouraged. In the evaluation of two applications with the same score, the one from a Young Researcher will be considered first.

The Table below (page 59 COST ANNOTATED RULES) describes all eligible scenarios. Applicants may receive only one STSM per Grant Period and may not receive more than one STSM for the same Host institution for the duration of the BEACON COST Action.

Individuals invited as per Article 6.2 and, where applicable, legal entities, participating in a COST Action networking activity shall be eligible to receive financial support to cover part or all of their expenses carried out to participate in or to organise a COST Action networking activity as defined in the table hereunder.

Evaluation criteria

All the applications will be evaluated based on the following criteria:

- 60% Appropriateness of the STSM for the selected Working Group and objectives.
- 20% Quality and feasibility of the work plan.
- 20% Quality and feasibility of the planned outcomes.

How to apply?

To apply for a STSM Grant within the BEACON Cost Action, please fill in the STSM application form available on the e-cost system and upload the following documents:

- Application form (template available on e-COST) describing: Goals, description of the work to be carried out by the applicant, expected outcomes and description of the contribution to the Action MoU objectives. Note that applications without clear contribution to the Action objectives will not be taken into consideration. Priority will be given to applications that are coordinated with the working groups.
- Confirmation of the host on the agreement from the host institution in receiving the applicant.

Dissemination

It is expected that each STSM grantee will send to the Science Communication officer, by email at nbessavilela@gmail.com, some information about the visit shortly after the mission takes place. Photographic and video material (e.g. the applicant with the BEACON logo in background) will also be requested.

Financial support

BEACON will decide on the financial contribution for each STSM, taking into consideration the budget request of the applicant, the outcome of the evaluation of the
